

## Notes of BAS Meeting 9 November 2023

Please see [documents](#) to find the slides from the presentation from Roderick McDonald, Principal Conservation Officer BDBC. Below are the links to various documents:

Conservation Area Appraisals: [Conservation area appraisals \(basingstoke.gov.uk\)](https://www.basingstoke.gov.uk)

General Conservation Information: [Conservation areas \(basingstoke.gov.uk\)](https://www.basingstoke.gov.uk)

Articles 4s: [Article 4 Directions \(basingstoke.gov.uk\)](https://www.basingstoke.gov.uk)

Article 4 Advice: [Article 4 advice \(basingstoke.gov.uk\)](https://www.basingstoke.gov.uk)

Energy Efficiency in historic buildings: [Energy efficiency and the historic environment \(basingstoke.gov.uk\)](https://www.basingstoke.gov.uk)

Heritage SPD: <https://www.basingstoke.gov.uk/heritage-spd>

Local Plan: <https://www.basingstoke.gov.uk/content/doclib/1592.pdf>

So, for any queries the best advice is to get the resident to call up the conservation department in planning at BDBC, and get their advice. There seems to be a common myth that people think they can't do things (could be because there is a lot of legislation and policies/frameworks to get to grips with) when according to Roderick, in most cases a solution can be found.

Alison Zarecky  
Climate Emergency Project Officer  
Basingstoke and Deane Borough Council
